CHILD/ADOLESCENT MDT NOTE

DATE: 9-10-02 CLIENT NAME: Bethany Bernhard AGE: _____ DOB: _____

PLACEMENT: detection - SV DOA: 8-25-02 CPS JPO DJC DDD SPEC ED

DIAGNOSIS: AXIS I: _____ AXIS II: _____ AXIS III: _____

CURRENT MEDICATIONS: MED.	DOSE	ADDITIONAL SERVICES

PSYCHIATRIST: _____ THERAPIST: _____

FINDINGS: is requesting - MDT - to see what is best placement

- M states that feels B should be committed TO DJC
- in detection for runaway, making pot, promiscuity, sleeping w/ 33 y.o., stealing (in incarcerated for petty theft), not on probation.
- judge has kept her in detection for her own protection - NOT enough for DJC; in detection she scratched on her arm; B accusing a male CD of sexually inappropriate TX toward her; focus is not
- inconsistent O.P. due to her own B; P's deny they were ever contacted by Vista Care for family SVCS

RECOMMENDATIONS: (1) local AB eval & TX w/ P & B both re: bonding

& complete OK from UC 7-02 (2) all plans in terms of LOC have been tried
Family issues need to w/ some successes & is need out getting at
be addressed * the core of the problem; This area had not
been addressed; she will remain in detection
& SVCS will start there - some will set up SVCS.
